

ASME GAS TURBINE TECHNICAL CHAPTER
MINUTES OF MONTHLY MEETING SEPTEMBER 1, 2005

(Attendees: Will Steenken, Markland Jones, Mike Bevans, Greg Holbrook, John Gunaraj)

The chairman called the meeting to order at 4:50 PM.

Meeting Minutes of the August meeting has been approved.

Eric Thompson has agreed to talk about "General Aviation and the air-show in Oshkosk". Will S spoke to Eric about the talk. Eric told him that he is ready for the presentation. Will to make sure that he includes couple of photos from the air-show (particularly 3 aircrafts landing). The meeting is on October 13th.

Publicity for the meeting was discussed.

The meeting notice should be distributed to SRP, APS, Honeywell retiree club, secretaries at Honeywell, ASU, Goodrich, Boeing.

Prepare the flyer a month before the meeting. Flyer should include good pictures from air-show, some information about the presentation, brief background about the presenter. Will S to finalize that and David Highfield to publish it in the October flyer.

Webb E to call INODYNE representative as a back up (2nd choice) speaker.

If both the speakers are not available then Don Weir has agreed to talk about "The Effects of Noise in Aircraft Engines".

Agenda for the next meeting

- ❖ Another Speaker
- ❖ Plant Tour

Briefly some places were suggested for the potential tour to be arranged by the IGTI Chapter. They are

- ❖ BFGoodrich plant in Tempe and west of downtown Phoenix
- ❖ MD Helicopter plant in Mesa
- ❖ Luke Air Force Base
- ❖ Williams Gate Way Airport – Chad might know more information about this.

Next meeting is on October 6th.

The meeting was adjourned at 5:15 PM.
