

ASME GAS TURBINE TECHNICAL CHAPTER
MINUTES OF MONTHLY MEETING September 12, 2006

(Attendees: Will Steenken, Mark Jones, Greg Holbrook, John Gunaraj)

The chairman called the meeting to order at 4:50 PM.

Meeting Minutes of the April '06 meeting has been approved.

Will S talked to Ian Bell. Ian wanted to give a lecture. Chapter needs to have the information by the end of September for the ASME Newsletter and the flyer. Will to talk to Ian about finalizing the details of the presentation.

Greg H, John G and Mark J to help Will with the flyer for the meeting.

Mark will not be able to attend the Board Meeting on 10/3. Someone from the Chapter needs to represent in the Board meeting.

Need to discuss about the election of officers. Terri & Eric would know the details of the new ASME organization and where the IGTI Chapter stands. Need to discuss it in the Board meeting.

One person from Arizona ASME could attend the winter session meeting of the national organization. Dave Highfield and Joe Howard would know more details. IGTI Chapter most likely will not have money for that.

There is a lack of interest in ASME in the national, state and local chapters.

Mark to give Webb E a call.

The meeting was adjourned at 5:20 PM.
