Ph: (480) 227 0278

*Joint SID/ASME Meeting*

# *Flexible Displays and Their Future*

Join us for an exciting tour of the Flexible Display Center at Arizona State University. FDC is an U.S. Army funded facility located at the ASU Research Park in Tempe, AZ. It has a state-of-the-art infrastructure with 25,000 sq. ft. class 10/100/1000 clean room dedicated for the development of flexible displays and electronics. There are more than 25 industrial/university partners collaborating with FDC. There will be a brief presentation from Dr. Sameer Venugopal about the Flexible Display Center and its accomplishments. After the presentation, there will be a tour of the fab and some of the latest demos using flexible displays. More information about FDC can be found at <http://flexdisplay.asu.edu>

**Directions to the Flexible Display Center from Phoenix Sky Harbor Airport:**

1. Merge onto E. Sky Harbor Blvd.
2. Take ramp (left) onto SR-202 Loop (Red Mountain Fwy) towards AZ-202-LOOP/Tempe.
3. At Exit 9, turn RIGHT onto Ramp towards AZ-101-LOOP.
4. Take Ramp (RIGHT) onto SR-101 Loop (Price Fwy) towards AZ-101-LOOP.
5. At Exit 57, turn RIGHT (West) onto Elliot Rd.
6. Turn LEFT (South) onto S. River Parkway.
7. The FDC is the 2nd building (MacroTechnology Works) on the right (West) side of S. River Parkway.
