**ASME PRE-COLLEGE...FOR THE FUTURE!
DO YOU WANT TO MAKE A DIFFERENCE?**

Opportunities for involvement in pre-college programs abound! You can help encourage pre-college students to consider a career in engineering by getting involved with your local school and through programs like "Introduce a Girl to Engineering," FIRST Robotics and LEGO League Competitions, and Junior Engineering Technical Society (Jets). For information on these programs and much more visit: www.asme.org/education/precollege

We Can Help You Make Your Classroom Visit a Success!

Make your visit to a classroom easy and download free lesson plans on line or order copies of the ASME-produced videos aimed at K-12 students. The videos are accompanied by lesson plans, posters, handouts and other presentation materials. Available videos include "Engineering is for Everyone," for elementary schools, "Mothers of Invention " for middle schools, and "Career Encounters: Mechanical Engineering" for high schools. FREE brochures are also available: What is Mechanical Engineering?, Mechanical Engineering and Mechanical Engineering Technology: Which Path Will You Take?, and Mechanical Engineering A-Z. Order your videos and FREE brochures today!

CMA/COE CONFERENCE COORDINATOR INFORMATION AVAILABLE ONLINE

The Committee on Member Affairs/Committee on Engineers Conference coordinator listing with contact information is now available online in the CMA directory.

There are 13 Regional Conference coordinators, whose responsibilities include the following:

- Compiling Regional demographics, including identifying Sections with the resources available to host conferences as well as information about the membership within the Region
- Maintaining coordination and communication with the Sections in the Region, and acting as a contact for the COE Groups and Divisions
- Responsible for overseeing conference planning on the Region/Section side to ensure conferences are being planned and developed with the Section and have successful outcomes

These coordinators are available to help Regions and Sections develop ideas for conferences and to offer guidance in executing them for a successful outcome.

To access the coordinators listing, log onto the "Members Only" site at www.asme.org. Select "CMA Directory" from the links provided at the right-hand side of the screen. The CMA/COE Council Coordinators listing is located in the "Council on Member Affairs" portion of the directory.

For more information, please contact Webb Marnar, Lead Conference coordinator at wmarnar@jpl.nasa.gov.

Diversity Action Grants

The Diversity Action Grants program provides funding to ASME Student Sections to sponsor projects designed to increase the participation of women and under-represented minority groups in ASME Student Section activities and in the mechanical engineering community.

Projects should be collaborative partnerships with other minority and women's engineering societies on campus, *e.g.*, NBSE, SHPE, SWE. Examples of activities funded by the Diversity Action Grant Program may be found at

<http://www.asme.org/bmw/DAGsuccessfulprojects.html>

For more information, as well as a grant application, go to <http://www.asme.org/bmw/dag.html>

2003 BMW Award

Nominations for the 2003 BMW Award recipient must be submitted by July 31, 2003.

For information on the award, as well as the application form, go to

<http://www.asme.org/bmw/award.html>.

2003-2004 Minority Leadership Internship Program

Applications for participation in the 2003-04 program must be submitted by no later than July 15, 2003.

For information on the program, as well as the application, go to

<http://www.asme.org/bmw/minorityleadership.html>.
