JOINT MEETING WITH ASME-CAM

Want to know what is going on at the National and District

level of ASME? Want to know what is new in ASME? Come join us at the 356th Fighter Group on November 13th for a joint meeting between the CAM and Akron Sections to get the answers. Tom Davis, our District Leader, will let us know what is happening at the national level (directions, priorities, activities, etc.) and within District B (Section activities, Student Section activities, etc.), as well as plans for the future of District B. This is your opportunity to hear firsthand what is happening within ASME and what it means to you. Tom will also be asking for your ideas to help make District B better and provide you with more value for your membership.
