Have a safe and Happy Holiday

Chairman's Corner

Hello fellow ASME members, my name is *Dan Deckler* and I am the Vice Chair of your local ASME Canton-Alliance-Massillon section. Well, the holidays are just around the corner and my wife and I hope that all of you have a safe and enjoyable holiday season.

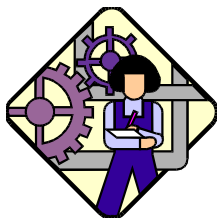

We are well into the new year of ASME sponsored activities and you should be pleased with the work your officers and board of directors are doing. I would like to thank all of you new volunteers this year. By volunteering your time you have shown us "old-timers" that there are people who recognize the value of ASME and appreciate the work that is done by the volunteers who run your local ASME section. Being chair next year I hope that all of you will continue your fine efforts into next year. Maybe you can even persuade some of you colleagues to join us.

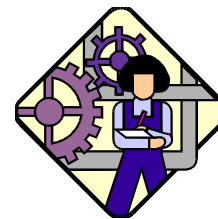

As for you "old-timers" (you know who you are), I would be remiss if I didn't thank you as well. The CAM section wouldn't be where it is today without your dedication. I hope to be fortunate enough to work with you as chair next year. As for the rest of you...please consider getting involved. Yes, I know you are busy, we are all busy, but we have CAM Section positions that require just a little time and effort. You never know, this time and effort could pay big dividends in the future, so please consider joining us.

Again happy holidays and Best wishes,

Dan Deckler, Vice Chair, ASME CAM Section

Engineers Week **February 22-26, 1999.**

*The Canton Joint Engineering Council (CJEC) is sponsoring an Engineers Week Banquet.
It will be held Friday, February 19, 1999 at Skyland Pines in Canton.
The topic will be "Higher Education" Look for more information in the January newsletter.*

\$1000 SCHOLARSHIP AVAILABLE

The Canton Joint Engineering Council (CJEC) is seeking applicants for a \$1000 scholarship to be presented during Engineer's Week in February of 1999. The applicant must be a U.S. citizen, must have completed his or her sophomore college year, and must have been accepted into the College of Engineering of a four year ABET accredited University or College.

This is your chance to receive a little extra expense money!
To apply or to request further information contact Bill Richardson at
The Timken Company, phone (330) 471-6785 or e-mail richards@timken.com

E-mail distribution is a HIT!

CAM Section mailed out nearly two hundred newsletters in November over the Internet. Preliminary feedback was very positive, including praise for the color content that can be seen in the electronic version as well as the convenience offered by electronic documents.

If you did not receive an electronic copy, that is because we do not have your e-mail address. We would be pleased to add you to our list. Send your email address to Rob Privette at rob.m.privette@mcdermott.com.

Newsletters are sent as an Adobe Acrobat (.pdf) files. Adobe readers can be downloaded from the internet for free at the address below.
