End of Year Joint Meeting with Akron Section

Member/Industry Night
Thursday, May 13th

Sons of Herman Hungarian Club
694 E. Waterloo Rd.
330-773-0485

5:30-6:30 Social Hour- Members and guests of the Akron and CAM Sections meet exhibitors. Refreshments (pizza, chicken, and beverages) will be served until the end of the meeting for all.

6:30-7:30 Brief ASME business meeting

7:30-9:00 Open Forum-Discussions between exhibitors and membership.

Exhibits open until approximately 9:30.

The meeting serves the local industry by providing a forum to display company capabilities and products in a 'table top' trade show to working engineers and graduating engineering seniors. Distribution of business cards and product brochures is encouraged. Our membership benefits by becoming more aware of products and services available from the local area. Graduating seniors who usually have few vendor contacts prior to leaving school begin to establish them at this meeting. The section continues to fulfill its goal of bringing together engineers, students, and industry.

Directions:

From West: Take 224 to Kelly, Kelly to Waterloo, Left on Waterloo.

From South: Take 77N to 224, 224 east to Kelly, Kelly to Waterloo, Left on Waterloo.

From North: Take 77S, Exit at Waterloo, Right on Waterloo

Contact Jim Parrish, Akron Section, 330-239-1000

Upcoming ASME Board Meeting:

May 13, 1999

** Change **

Note the change of night for the board meeting. They will be held one hour before the monthly program scheduled for the same night.

The meetings will begin at 5:30 and last only for one hour due to the meeting.

Next ASME Auxiliary Meeting:

May 19, 1999

Spring Craft Day
10:00am

David's Floral
355 East Main Street
Alliance (Downtown)

This meeting will allow all participants to make a spring craft in David's Floral new craft workshop. Cost TBA.

Lunch will be catered at David's Floral by The Perfect Cup Café.

ASME Calendar of Upcoming Events

Thursday May 13—*Vendor Appreciation Night – Joint with Akron Section*

Every year the Akron Section has local vendors and vendors within the ASME group display their products to all the members of the group. This program allows for networking between Professional Sections and The University of Akron Student Section. Food and Beverages always provided!

See Cover page for more information or check out the website:

Ideas and Information from ASMENET!

www.asme.org

ASME and SME Explore Merger

ASME International and the Society of Manufacturing Engineers have announced their intention to explore closer collaboration and a potential merger. [Click here for the official press release.](#)

Legislative Action Center

Write your members of Congress with the click of your mouse, a complete one-touch online resource for legislative information, contacting members of Congress, daily congressional schedules, and much more! [Click here.](#)

ASMENET continues to grow rapidly, both in content and in the number of users who visit the site each week. The Society's website is updated continuously, so be sure to check back frequently for new projects, announcements, and information.

EMAIL UPDATES! EMAIL UPDATES!

In the upcoming year, we plan on increasing our use of electronic mailing and decreasing the use of the Postal Service. *The success of electronic newsletters has been overwhelming.* And as a result of this, next year only those who have not signed up for the email service will receive their letter electronically. We urge you to sign up for email service now!

Over the next few months, we will be editing our mailing lists and preparing for a new year so, if you would like to receive newsletters electronically, please send your e-mail address to nknox@cepcarlisle.com

As always, feedback is appreciated.
