

## **Kansas City Energy Exposition 2006**

*Sponsored by the Kansas City Sections of  
American Society of Mechanical Engineers  
&  
Instrument Society of America*

Kansas City Energy Exposition 2006 targets a complete array of technologies and services of importance to the Kansas City Energy community including:

- System monitoring
- HVAC systems and controls
- Energy management and conservation
- Boilers and combustion controls
- Energy services
- Power generation
- Combined heat & power / cogeneration
- Gas, oil and chemicals
- Renewable and alternative energy
- Instrumentation and controls

In addition to the expo, the Energy Expo program agenda includes a line-up of seminars on a broad range of energy-related topics.

**RSVP/Registration Requested**

Register at <http://asme.FusionDB.com>

Directions & additional information available at  
<http://sections.asme.org/kansascity>

Technical Presentation Times Subject To Change

***Mark Your Calendars!***

**May 15, 2006**

11:00 a.m. to 7:00 p.m.

DoubleTree Hotel

10100 College Boulevard

Overland Park, KS 66210

## Kansas City Energy Exposition 2006 Vendor/Exposition Details

### **Booth Rentals:**

- Planning for 30 to 50 booths, 200 to 300 attendees.
- Contact information from registrants and attendees provided to vendors.
- Booths are approximately 8'x10' (and consist of a table and two chairs with a skirt)
- Cost \$450 (\$225 deposit due March 31, 2006) – *After March 31<sup>st</sup> additional fees map apply*
- Exhibitors will be listed in advertising and promotional materials for the Energy Expo
- Optional Sponsor of Door Prizes

### **Benefits for Attendees:**

- Professional Development Hours
- Solutions to technical problems
- New ideas for system concepts
- Networking with vendors and other participants
- New uses for existing products
- Advancements in instruments and controls
- Efficient and reliable generation and uses of energy

### **Seminars:**

- Professional Development Seminars (two concurrently, nominal 1 hour length)

### **Features:**

- Free Deli Lunch
- Evening Appetizer Buffet
- Free Soft Drinks
- Vendor listing and map
- Vendor Sponsored Door Prizes

## **Who Should Attend**

- Power Generation Engineers and Managers
- Instrumentation, Mechanical, and Process Engineers
- Energy Engineers and Managers
- Certified Energy Managers
- Utility Engineers and Managers
- Plant Engineers and Managers
- Facility and Maintenance Engineers
- Energy Service Professionals
- University & School Energy Managers and Professionals
- Electrical/Mechanical Contractors
- Architects, Designers, and Consultants

**Kansas City Energy Exposition 2006**  
**37 Confirmed Vendors (by end of April)**

- |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

**13 Technical Presentations (~45 minutes each)**

<i>Vendor</i>	<i>Technical Presentation (~45 minutes)</i>	<i>Tentative</i>
Power Monitors Inc	Power Harmonics	11:00-12:00
Bibb & Associates	Coal Fired Power Plants Primer	11:00-12:00
Carlton Company	Fixed gas detection systems	1:00-2:00
Magnetrol/Myers Aubrey	Guided Wave Radar Level Measurement in Power Plants	1:00-2:00
Beaudrey/Hittle Technologies	Circ water intake screens designed to meet 316 B	2:00-3:00
Heartland Controls	Wireless Networking in Industrial Applications	2:00-3:00
Clark Reliance/Mead O'Brien, Inc	Drum Level Control and ASME	3:00-4:00
Yokogawa / Power Specialties, Inc.	Digital Bus Technologies (including field bus)	3:00-4:00
Beaudrey/Hittle Technologies	Online condenser tube cleaning systems	4:00-5:00
Black & Veatch	Renewable Energy	4:00-5:00
Anderson Greenwood/Crosby/ Myers Aubrey	Pilot Operated Safety Relief Valves in Section I and Power Applications	6:00-7:00
General Cable Corporation	Medium Voltage Cables	6:00-7:00
Tyco Flow Control	Desuperheating Devices for Primary and Secondary Superheat Applications	TBD

## Kansas City Energy Exposition 2006 – Exhibitor Contract

Yes, please reserve exhibit space for our use at KC Energy Expo, May 15, 2006 to be held at the Overland Park, Double Tree Hotel. We understand table space is available at a cost \$450 per booth/table with balance paid prior to April 15, 2006. Prices & Availability after April 15<sup>th</sup> will change!

Number of booths/tables desired: \_\_\_\_\_ @ 450 each = amount due \$: \_\_\_\_\_

- Yes, the \$225 deposit is enclosed
- Yes, we will sponsor a door prize
- Yes, we wish to conduct a seminar for attendees

We will display these products and services: \_\_\_\_\_

Name \_\_\_\_\_

Title \_\_\_\_\_ Organization \_\_\_\_\_

Street \_\_\_\_\_ City/State/Zip \_\_\_\_\_

Phone \_\_\_\_\_ Fax \_\_\_\_\_

Email \_\_\_\_\_ Website \_\_\_\_\_

We have read, understand, and agree to the contract terms and conditions:

Authorized Signature of Exhibitor:

Date:

ASME Signature:

Date:

*Please make checks payable in U.S. Funds to Kansas City Section, ASME*

*Return to: Gene Hill, 7486 Newton Road, Odessa, MO 64076, 816-588-1527, gene.hill@fike.com*

**Contract Terms** - As an exhibitor in the show, we, the Vendor, hereby agree to the following terms and conditions:

Obligation of Vendor - Vendor shall indemnify, defend and hold harmless the ASME and ISA and its officers, directors, employees and agents and each of them from any and all claims, actions, causes of action, demands, liabilities of whatsoever kind and nature including judgments, interest, attorney's fees, and all other costs, fees, expenses and charges which ASME and ISA, its officers, directors, employees, agents and each of them, may incur arising out of the negligence, gross negligence or willful or wanton misconduct of Vendor, its officers, directors, employees or agents.

The Vendor shall be responsible for ensuring that the Group's use of all function space is free from noise, distractions, disturbances and interruptions within the reasonable control of the Vendor.

Obligation by the ASME AND ISA - ASME and ISA shall indemnify, defend and hold harmless Vendor and its officers, directors, employees and agents and each of them from any and all claims, actions, causes of action, demands, liabilities of whatsoever kind and nature including judgments, interest, attorney's fees, and all other costs, fees, expenses and charges which Vendor, its officers, directors, employees, agents and each of them, may incur arising out of the negligence, gross negligence or willful or wanton misconduct of the ASME or ISA, its officers, directors, employees or agents.

### Other Terms

Upon submitting booth contract we understand booth space is non-cancelable and non-refundable. However, ASME and ISA reserves the right to cancel the show and provide a refund.

Seminars are subject to content approval by ASME and ISA. Seminars shall be conducted so that PDH credits may be obtained. The cost to do a Seminar shall be included in the table costs, subject to availability. The Vendor shall make suitable materials available to attendees.
