

Florida Tech will be hosting our annual Senior Design Presentation Dinner on April 23rd in the Board of Trustees Room which is located in the North-East corner of the Denius Student Center. This is an excellent opportunity to see what the students are working on and how they are applying their engineering skills. There are many interesting projects this year. The teams presenting their projects this year are listed below. Please come out and join us at Florida Tech to learn more about these projects and see what is going on at the Florida Institute of Technology.

Mini Baja

Formula One Car
