We've had some great meetings and speakers this year. I was unable to attend Dr. Debrah Long's ethics discussion but was told it was extremely interesting and a real eye opener. Two of the speakers this year were part of the ASME distinguished Lecturer program and have proved to be a great addition to our yearly meeting schedule.</p> <p>The best thing that has happened for the future of CIS was Steve Ephraim and George Wandling's interest in officer positions. Their enthusiasm combined with the experience of past chairs like Todd Isaacson and Mike Pedersen will keep the momentum going in our section. Our last piece of the puzzle for next year is a newsletter editor.</p> <p style="text-align: center;"><b>Make sure you read about our upcoming events listed below.</b></p> <p>Thank you</p> <p><b><i>Garrett Goins</i></b> Central Iowa Chair 515-289-3534 <a href="mailto:goinsgarrettl@johndeere.com">goinsgarrettl@johndeere.com</a></p> <p><b>Important Dates – Upcoming Events:</b></p> <p>March 12 – Tour of DeeZee Manufacturing in Ankeny Iowa. April 18 – Tour of Winnebago in Story City Iowa May – Done with events – See you at the change over meeting or at our 1<sup>st</sup> CIS meeting in September.</p>
