Sarah Fisher in her 2008 driving uniform

Sarah Fisher at Kentucky Speedway in August 2008.

Sarah's Presentation: Sarah will share her IndyCar driving experiences and her new venture as a team owner. She will illustrate her talk with a video presentation showing action scenes. There will be a brief question and answer period following Sarah's presentation.

Sarah began her IndyCar driving career in 2000 when she qualified for, and raced in the Indianapolis 500. She is the first of the currently active female drivers, and in 2008 formed her own race team. Sarah's courage and "passion for racing" are very evident to all who hear her. She was honored in September 2008 when she was awarded Indy's Best and Brightest Under-40 Award in recognition of her entrepreneurial spirit. The award was presented in a ceremony at Gene B. Glick Jr. Achievement Education Center in Indianapolis. She was one of 100 finalists across 10 categories.

The Central Michigan Section is very fortunate to have her spend an evening with us. We are pleased to be able to share her time with you for this very special event. Don't miss this rare opportunity for you, your family, and friends while Sarah is here.
