Aloha!

We're pleased to invite you to join us at the College of Engineering's 2nd Annual Homecoming Celebration on November 4, 2009 sponsored by the Engineering Alumni Association. As alumni and friends of the College of Engineering, you are invited to spend a great evening of fun, food, and drinks to reunite with old friends and even make some new ones.

This year, we have added a series of presentations titled *Island Sustainability and the Future of Holmes Hall* preceding the reception. These lectures will highlight the innovative technology being researched by the College of Engineering as well as the by the local community. We have also expanded on last year's karaoke challenge during the reception to make it a class contest and added a Las Vegas style poker tournament complete with prizes.

Please register now (see flyer on back), tickets are \$50 per person and are limited. We look forward to seeing you there!

Sincerely,
Homecoming Committee Chairs

Ken Hayashida
