

**Nebraska Section ASME  
Executive Committee Meeting Minutes**

**Date: June 10, '09                      Time: 5:30pm                      Place: Zachry Engineering**

In Attendance                      Ruhl, Redinger, Fluehr, Carlson, Madden, Stransky, Ortiz, and Bowman

June 5<sup>th</sup> Golf                      Gary Ruhl attended and enjoyed himself.....did he tell us his score (???). The weather was good and approx. 100 engineers attended the event.

Treasurer's (Stransky)                      Audit to be completed around the end of June. Closed out CD and placed this in a general savings account. Paid all bills that were due for the month. Budget for 2009-10 is approx. \$20,500.00.

Gov't Affairs (Redinger)                      The PE license changes appear to have slowed down at this time.

Engineer's Roundtable                      No report

Newsletter (Carlson)                      A newsletter is planned to go out to all members towards the end of June or early July.

New Executive Member                      David Ortiz.....welcome David!

New Role Assignments                      Chair: Mike Carlson; Vice-Chair: Open; Secretary: Bob Bowman; Treasurer: Dave Stransky

PE Refresher Course                      An econ instructor is needed by August.....D. Stransky to help with the search. This will also be added to the future newsletter.

Details for next year's events: Many ideas were discussed, more details to follow in the upcoming months.

Next Meeting                      Tuesday, August 4, 2009, 7:30am at Wheatfield's
