

**Attn: Placement Counselor**

**Annual Worcester Section ASME Scholarships:**

On the following page is a copy of the application form for the Worcester Section ASME (American Society of Mechanical Engineers) annual scholarships, given to deserving high school seniors in Worcester County who are planning to enroll in a baccalaureate program in mechanical engineering in the Fall of 2005. Cash awards of \$2000, \$1000 and \$500 are given to the top three (3) applicants. Applications will be evaluated by the Worcester Section ASME Executive Committee. Applications must be received by May 6, 2005. Winners will be announced by May 20, 2005.

**Annual Worcester Section Scholarship Application**

This application is going to be filed in completely by the applicant and submitted to Dan Smith, Babcock Power Inc., 5 Neponset Street, Worcester, MA 01606. The application and supporting material must be received by May 6, 2005.

Applicant Name: \_\_\_\_\_

Street: \_\_\_\_\_

City: \_\_\_\_\_ Zip: \_\_\_\_\_

Telephone No.: \_\_\_\_\_

Education:

Current High School: \_\_\_\_\_

Engineering College to which you have been accepted: \_\_\_\_\_

In the space below write in one hundred words or less the reasons why mechanical engineering is your career choice. (You may use a separate sheet.)

Please attach the following supporting material:

1. One recommendation letter from each or three (3) academic references who have knowledge of your academic work.
2. One original copy of your most recent transcript of at least one year prior to graduation.

All applicants will be judged solely based on their academic achievements and activities related to an engineering career.
